

BY-LAWS COMMITTEE REPORT

Chairman – Sallye West

Co-Chairman – Amy Compton

The Executive Board voted on the changes made to the By-Laws at the Fall Conference and the By-Laws were ratified on October 14, 2010. The Presidents of each region then submitted the ratified By-Laws to their members. At the current time the By-Laws committee can't meet due to travel restrictions, so we e-mail each other monthly to see if members have submitted any comments or concerns.

The By-Laws Committee would like to welcome any new members to the By-Laws/Policy Procedure Committee.
