

PROFESSIONAL DEVELOPMENT COMMITTEE

Would like to take the opportunity to welcome the new members to the committee:

Deborah Bullock

Cindy Cotton

Lisa Jordan

Dena Ollie

Niani Vines

The committee has been formed since the last conference and I look forward to work with these ladies in the upcoming conferences.

Our fall conference was held in Williamsburg at the Williamsburg Crowne Plaza with a 56 members in attendance. We had 6 workshops available for our members.

Our spring conference has yielded a turnout of 71 members; several whom have taken advantage of the one day registration. We have been able to offer 8 workshops; 3 of which will be repeated due to their popularity.

Fall Conference is being looked at for early October. Both Roanoke and Blacksburg have given us sets of dates and proposals. Right now dates are the issue.
